

ROCKSTAR MANIFESTO

I AM A ROCKSTAR.

I handle everything that comes my way gracefully and lovingly. I am connected to all the energy in the universe.

I AM ABUNDANT.

My value exists simply because I am.

I am worthy of receiving every gift of abundance that comes my way.

I AM FUCKING AMAZING EXACTLY AS I AM.

I am 100% perfect as I am right now. All is well in my world. I am at peace.

I AM EVERYTHING I NEED TO BE.

There is nothing I need to become. There is nowhere I need to go to find myself. I have already arrived.

I AM Peace.

I AM Abundance.

I AM Magnificent.

I AM.

I MAKE EPIC SHIT HAPPEN.
